

PAINT COLORS STANDARD & OPTIONAL

**STANDARD COLOR:
BRIGHT WHITE**

IEC offers optional paint colors designed to blend with almost any décor. The standard and optional paint is a highly durable, thermoset polyester powder coat designed for interior and exterior applications with a hardness rating of H – 2H (per ASTM D3363) and a salt spray rating of 1,000 hours (per ASTM B117). Supply air grilles may or may not be powder coated. Custom colors are also available. Please contact your local IEC representative for details.

Optional Colors

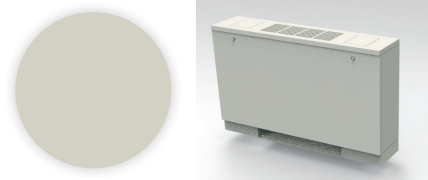

Polar White

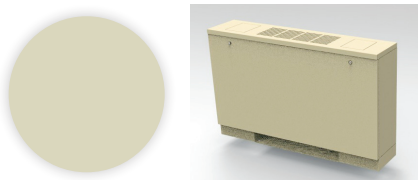

Arctic White

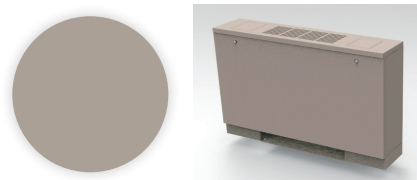

Ermine Gray

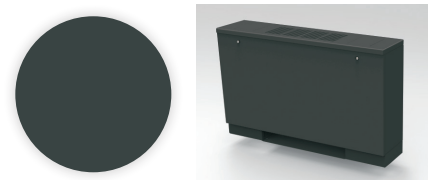

Champagne Beige

Toffee Brown

Flat Black

NOTE: The color samples shown on this sheet are reproductions. They approximate the actual color as closely as possible. For a better color match, contact your local IEC representative for a sample. Optional colors are available for an additional charge. Additional lead time may be required.
