HDY Expedited Shipping Program

Make the upgrade to IEC's Direct Drive Blower Coils

Energy efficient · Quiet operation · Less maintenance · Extended service life

August 12, 2019

Dear Preferred Partner,

We are excited to announce the HDY (Horizontal Direct Drive) units are now available to order under SST (5 - 10 Working days) Expedited Shipping Program starting **August 12, 2019!**

Please note some options and accessories are excluded from SST program.

For full lead time details, reference the HDY Price Guide in [EnCompass](#).

For more information about IEC's Direct Drive Blower Coil product family, reference the [Direct Drive Sales Brochure](#).

Vertical Direct Drive (VDY) units remain available for Prime Time (PTO) and Standard Lead Times only.

If you have any questions or need additional support, please contact your local sales representative.

Sincerely,
IEC Marketing
